D.O. No.C-R.15/34 dated 6-11-34 from the [illegible] District, to the Mysore Commissioner in Mysore.

I write to inform you that last night the [illegible] manva and Siddiah by name entered the Sri [illegible] the object of offering flowers and fruits [illegible] performed by the Archak, were going out of the [illegible] that they belonged to the Madiga caste. The temple is a [illegible] tion and is under the management of the Amildar of Hassan [illegible] no Dharmadarsis appointed for it. But the devotees have [illegible] ment and the Amildar held an enquiry immediately [illegible] prokshana would be necessary immediately to consecrate the [illegible] There is no daily puja for this temple. An annual puja [illegible] hereditary archak, Narsan Krishnappa, for nine days [illegible] ಕಾರ್ತಿಕ ಶುದ್ಧ ೮ (corresponding to 1st November 1934) up to [illegible] (corresponding to 9th November 1934) when devotees from all the [illegible] go to the temple in large numbers for offering puja. As it [illegible] to close the door of the temple on the 9th November [illegible] the mamool, there is no time to consult the Mysore [illegible] steps to be taken for restoring worship. I went to the temple [illegible] and made enquiries from devotees as well as the competent priests. I [illegible] of opinion that a thorough sanprokshana of the temple was urgently necessary and asked for a grant of R 75/- for this purpose. There is a balance of about R 120/- at the credit of this institution and the daily collection so far have totalled about R 38/-. I have therefore sanctioned a sum of R 47/- from the Pass Book balance and R 28/- from the daily collection for this purpose and informed the devotees that the balance of the expenditure that may be required for the purification ceremony will have to be contributed by them for the purpose to which they agreed. Though there is strong feeling among the orthodox sections of the residents of this town there is no cause to apprehend any further trouble over this matter.

Though the temple is only a village institution, it has some importance on account of the fact that the town of Hassan derives its name from this deity. His Highness the Maharaja was also pleased to donate a sum of R 50/- to this temple during his last visit to this place.

It is ascertained that Subrahmanyam who is a native of Bangalore and recently recruited Daftaribana of the Hassan Taluk Office was a Shanbhog and clerk in the office of the Assistant Inspector of Prisons, Bangalore and [illegible] the [illegible]

.O.No.C.R.15/34 dated 20-11-34 from the Deputy Commissioner, Hassan district, to the Muzrai Commissioner in Mysore.

In reply to your D.O. letter No.593/34-35 dated 13/15th November 1934, I write to state that from the statements of the two Adikarnataka officials it cannot be said definitely that they entered the temple with any mischievous intention though there is some suspicion about it. If any disciplinary action is taken just now, it may tend to revive the Temple Entry question as a live issue in Hassan Town leading to the formation of factions. It is in my opinion better to let the incident lapse and transfer the two officials later on from Hassan if need be. It may be left to the devotees to take such action as they think fit against the two persons on the Civil or Criminal side.

There have been no developments over this affair and it has practically blown over.

The mahazar of the villagers along with the statements of the Adikarnatakas recorded by the Amildar on the date of occurrence are enclosed for favour of perusal and kind return.
